# THE BIBLE IN 365 DAYS

## DAILY READING PLAN

The Bible seems so big it's daunting. But spend a few minutes reading each day and it quickly shrinks into a comfortable fit. And in the process you'll learn background that lights up passages you've never understood. You'll get to know God better, draw closer to Him and maybe even become more like Him.

We've created this particular Bible calendar to make it easy. You'll know how much you need to read each day and enjoy the experience. Here are some of the factors we considered in designing this schedule.

- Once a year is enough. With this plan you read the Bible once and only once. We understand you're busy.
- On most days, you will only read from one part of the Bible. This allows you to enjoy exciting stories without interruption.
- The Psalm and Proverbs are interspersed throughout the plan so that every few weeks, if not every few days, you will get to enjoy the raw emotion of the Psalm and the wisdom of Proverbs. And since discussion of who gave birth to whom isn't very exciting, it helps to add some passages from Psalm and Proverbs to those days.
- This plan spaces out the four gospels (the books that describe the life of Jesus) so you get to enjoy something from the gospels during each quarter of the year.
- Rather than list each day by a calendar date, we simply number them 1–365. This has two advantages. This way you can begin any day of the year, and if get busy and fall behind you don't feel pressured to double up. Simply begin again the next day and go a day or two or more into the next year before you finish. We want this to be a joy, not a ball and chain.
- We hope you give it a try. There's so much to learn from the Scriptures that you could read through the whole Bible year after year and still discover new insights, encouragement and comforting assurances each time. The Bible will come alive, as big as life, while the task of reading it will become as small as the time you take for coffee.
